

**FOI Request 2162**

**NHS Redditch & Bromsgrove CCG**

I have an enquiry regarding the QIPP programme for 2013-14.

Each CCG's QIPP programme will consist of several initiatives – QIPP schemes.

Please send me:

1. A short description of each CCG's QIPP schemes;
2. How much they expect to save from each scheme; and
3. Any measurable improvements in quality of care each scheme is expected to bring about.

**Response:**

**Please see attached documents from NHS Redditch & Bromsgrove CCG in response to this FOI Request.**

**Please note that the quality elements of the schemes are in the process of review and therefore this element is not currently available until this is complete.**
