

FOI Request 2219

NHS Redditch and Bromsgrove CCG

I would be grateful if someone in your finance team could spare a few moments to help us do some benchmarking on the value of payments made to GPs for being members of the Governing Body or attending CCG meetings, etc..

I would be grateful if you could indicate what rate you pay your GPs for CCG work (in terms of an hourly rate to allow comparison). Please include the range of payments if you pay different rates for the various roles within your organisation.

The gross amount approved by CCG Remuneration Committee is equivalent to £100 per hour. Employers' superannuation and NI costs reduces this to £80 per hour, as paid to the GPs
